SPEAKERS BUREAU

Justice Initiatives, Inc. (JI) was formed in 2004 by a group of community and justice system leaders in North Carolina who believe that our state deserves nothing less than a world-class court system.

Representatives from JI are available to give presentations on the administration of the court system. They will also share information on JI and the role citizens can play in improving their system of justice! See below for more information on this exciting new opportunity:

- Become informed about your community's system of justice
- Evaluate its strengths and weaknesses
- Express improvements you would like to see by voicing concerns to JI
- Advance reforms related to the Judicial Branch's organization, structure and/or administration
- Educate and Advocate regarding the needs of the 26th, 28th and 15B Judicial Districts of North Carolina
- Assist in fundraising through individuals, foundations, corporations and governmental entities for particular offices, programs or services that support the public and employees of the aforementioned Judicial Districts of North Carolina
- Support fundraising for court system and programs within the 26th Judicial District of North Carolina
